TED RÖNESANS COLLEGE EXPLICIT CONSENT DECLARATION

Under the Law on the Protection of Personal Data (KVKK)

Dear Parent,

As a result of your status as our parent/student, certain personal data is processed by Rönesans Özel Okulları Eğitim Öğretim Hizmetleri Anonim Şirketi ("**TED Rönesans College**") within the scope of our registration and subsequent processes. While there are specific legal grounds for the processing of this data by TED Rönesans College (for which your consent is not required), for others, your declaration of consent is necessary for the data to be processed.

A Clarification Text (Privacy Notice) regarding which data is processed and for what purpose has been presented to you. We kindly request that you approve the form below after reviewing the aforementioned text, and remind you that you may contact our registration officers regarding any matters you may have concerns about.

Consent Clauses

1. Educational Activities and Corporate Communication

I hereby consent to the processing of identity, contact, visual, and auditory recording data belonging to the child of whom I am the legal guardian, within the scope of conducting educational activities. This includes the processing of audio, image, and video recordings taken during in-school and out-of-school educational activities, social, cultural, field trips, and observation activities, as well as in-class and extra-curricular events.

I consent to the publication and sharing of these materials on the websites and social media accounts of the Institution and the central/provincial organizations of the Ministry of National Education, in printed promotional materials, and in local and national media outlets with the knowledge of the Institution's management, for the purpose of supporting educational processes and promoting corporate activities. Furthermore, I consent to the transfer of this data to business partners (educational platforms, testing centers, social media service providers, corporate communication suppliers), third-party suppliers and consultants supporting social media and corporate communication, and organizations providing storage, archiving, and IT (server, hosting, cloud computing, e-mail, etc.) support.

2. Health and Emergency Procedures

I hereby consent to the processing of identity, contact, and health information (including allergies, medication use, and medical condition details) belonging to the child for whom I am the legal guardian, for the purposes of ensuring appropriate intervention, conducting emergency medical procedures, and communicating with healthcare institutions. I also consent to the transfer of this data to the service providers from whom TED Rönesans College receives services, as well as organizations providing storage, archiving, and IT (server, hosting, cloud computing, e-mail, etc.) support.

Confirmation I hereby consent to the processing of the relevant data for which I have marked the 'yes' option above for the specified purposes and to its sharing with the parties listed above.
